

REMARKS

Applicant would like to thank the Examiner for the careful consideration given the present application. The application has been carefully reviewed in light of the Office action, and amended as necessary to more clearly and particularly describe the subject matter which applicant regards as the invention.

The Examiner has objected to the specification as lacking a summary of the priority claims associated with the pending application. The specification has been amended to include a summary of the priority claims. The Examiner additionally objected to the Abstract as not including a description of the invention of the pending application. The Abstract has been amended to provide a summary of the invention.

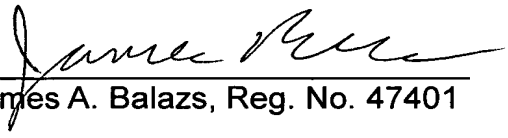

In light of the foregoing, it is respectfully submitted that the present application is in a condition for allowance and notice to that effect is hereby requested. If it is determined that the application is not in a condition for allowance, the Examiner is invited to initiate a telephone interview with the undersigned attorney to expedite prosecution of the present application.

If there are any additional fees resulting from this communication, please charge same to our Deposit Account No. 18-0160, our Order No. FRG-32823US1.002.

Respectfully submitted,
